

## Welcome to SCANDINAVIAN CELLO SCHOOL!

Scandinavian Cello School was established in 2016 by Jacob Shaw as a foundation to support, educate and promote young cellists. In 2018 SCS bought and renovated an old farmhouse in Stevns which has opened as the world's first permanent cello center and retreat. The motto is "become the best version of yourself". A huge emphasis is placed on organic and self sustainable living, with 80% of all food sourced in the local area. By 2021 Scandinavian Cello School aims to be mainly self-sufficient.

**Whether you are staying here as a student helper, on a short stay as a member of our SCS collective, overnighting with Airbnb, or even for a bespoke getaway package - we will aim to make your visit as comfortable as possible.**
